Attend a Face-to-Face Session: Before starting your virtual classes, please attend an in-person session to familiarise yourself with the safety aspects of the reformer. Each reformer is different, and we want to ensure you feel confident and safe using ours. \*Booking Requirement: Please remember to book into your virtual reformer classes. Members who book in advance will have priority access to the reformer machines.

•Studio Access: When entering and exiting the studio, please ensure that the door is securely closed behind you.

•Duress Alarm: If you are one of the first two members in the class, kindly pick up a duress alarm as a safety measure. The alarms are located on a hook above the fire extinguisher to the left of the room.

•Equipment Care: After each session, please clean your reformer and all equipment used. Ensure all springs are placed back, and that boxes, circles, and balls are returned to the right-hand side of your reformer. Weights should be neatly stored under the reformer at

•Pregnancy or Injuries: If you are pregnant or dealing with an injury that may affect your class, we strongly encourage you to attend a face-to-face session. This helps prevent any strain or injury and ensures you can train safely, as our virtual classes are not designed
